

Cancellation and Insurance Policy

Please give us a 24 hour notice if you are not going to be able to make your appointment. If you do not give 24 hours notice for a cancellation or if you fail to show for your scheduled appointment a \$50 missed appointment fee will be assessed.

Please note that we do file a claim to your insurance as a courtesy. Although we do our best to estimate what the insurance will pay for your treatment, we cannot guarantee an exact amount. Please realize that although you pay your portion at the time of service, you may receive a billing statement after we receive payment from your insurance asking you to pay the remaining balance. Balances over 90 days are subject to collection proceedings.

Please refrain from using your cell phone beyond the waiting room.

Thank you for your time and understanding!

I have read and understand the above statements. I know that if I have any questions I am welcome to ask them at any time.
